Hi Chuck Debbie, and Bruce

I just talked to Chuck and he has found a local source for Macramé cord, but here is the source we have been using for the last two or three years. They do give us a 40% discount on an order over \$100.

Please see the following website <http://www.concentric.net/~Munrocrp/>

They also have a color chart attached to the site. Last years order for 9 rolls of 6 mm cord came to a total of \$67.56. (\$98.91 -\$39.57 +\$8.22 S&H = \$67.56)

Also last year each CD ordered their own cord and used their cash advance to repay themselves.
