Subject: Selection of Assistant Senior Patrol Leaders

Each of you should consider the following staff members for the positions of assistant senior patrol leaders. As a group please coordinate the selection of your assistants and be prepared to submit their names to the course director for approval on February 23, 1996. If you feel another staff member should be included please contact us and justify your reasons. Do not discuss your selections with any of the other staff until approved by the senior staff.
