

WHITE STAG  
960-964

Michael Krueger

Frankfort, In 46041

Dear Michael:

Michael we have now completed two of our four staff development weekends and you and our staff are doing a great job. I believe that we are presently ahead of what I had expected. This year's WHITE STAG will be the best that the Crossroads of America Council has ever had.

I have enclosed a list of uniform items available from the Scout Shop. Note that these items are discounted 20% from the sale price. Make your selection and take the forms to the Scout Shop or bring them to the next meeting, April 12, 1996 at Camp K with the appropriate money to include sales tax.

Our next meeting will be a Camp K, April 12th to 14th. We will start at 7:30 pm on the 12th and finish by 11:00 am on the 14th. We have the cabins for your use to sleep in. I have enclosed a map to the camp and the phone number is 317-552-7400 for emergency use.

Please call me if you will be late or have a conflict on this weekend.

Yours in Scouting,

Gerald Jones

Course Director 960-964
