

## Scoutmaster Reflection #1

Ask the following questions:

How is it going?

What do like like best so far?

What have you learned that you did not expect ot learn

What have you learned about each other.

What do you expect to getout of the conference?

Why do we use the patrol method at White stag

How can you ensure information gets to every member of your patrol?

How can you apply what you learn eacvh day

What do you like best about working with this patrol?

If you could change one thing about how the patrol works together what would it be?

What can you learn from each other?

Any problems that we can address

Thank the patrol for their enthusiasn and interest, Tell them that theres lots more to come. Good luck.
