Dear Sirs:

I would like to order 500 Polytuff Car Tags. I have been told you will honor the \$0.69 per 500 through the month of March. My design will include 3 additional colors at \$0.20 each.

.69 white car tag  
.00 black (first color at no charge)  
.20 red  
.20 green  
.20 yellow

\$1.29 \* 500 tags = \$645.00 + shipping & handling

Please charge to my Visa card # 4638-4100-0161-3093 with expiration date 01/99 issued to Chuck Sparks.

I have enclosed artwork and a proposed layout. I have enclosed a second copy in color to show the coloring we would like for each element of our design. Please use your best judgement in final layout. I have also enclosed one of our patches. Please try to use these colors as closely as possible when filling the artwork.

Our group is also looking for a source for a plastic drinking mug. Do you have anything available? Would it be possible to provide a sample and price listing?

Please contact me if you have any problems understanding these instructions and requests. Thank you for your prompt attention to our order.

Sincerely,

Chuck Sparks
