Congratulations on your selection as a JASM Staff Development and welcome to the 1997 White Stag staff. Together, I hope we will present the most successful leadership training conference ever presented in Crossroads Council. To get the planning process started next year's course, we will hold a senior staff meeting on Thursday August 29, 1996 in the Gyro Center at Camp Belzer. The meeting will begin with barbacue at 6 P.M. so bring your appetite. We should finish by 9 P.M. At this meeting we will cover the following items:

1. Objectives for this year's course
2. Review last year's staff evaluations and select those members who should be asked back without interview.
3. Proposal to relocate the course to Ransburg and decide the location of this year's course.
4. How to handle the interview process.
5. Establish dates for senior staff meetings between September and January
6. Development of Promotional teams.

As part of the senior staff I plan on involving each of you in carrying out this course. Please let me know if you cannot attend by calling 578-0116. Looking forward to seeing you again.
