2. As of this letter, we have 34 interviews that are required for new staff members, 7 at Redwing and 27 at Belzer. Carol has agreed to do the interviews at Redwing they begin at 10 a.m. and should be complete around 1:00 p.m. Assisting her should be the rest of Troop 971 staff. Please make arrangements to travel up and do these interviews. The remaining three troops will conduct the interviews at Camp Belzer on December 14, 1996, beginning at 9 a.m. Three interview teams will conduct these simultaneously.

3. The Troop 970 staff will meet beginning at 9:30 on December 14, 1996, to discuss logistics for the upcoming staff orientation day on January 4, 1997. I would like to hold a staff meeting during lunch with all senior and adult staff to discuss the January 4th meeting. The Troop 971 staff will need to be at Belzer by 11:30. We will also decide at that time when the senior staff will make the final staff selections. Again, thanks for all your help. If you have any problems making any of these dates please contact me.
