

## **ALMOST DONE!!!**

If you haven't noticed yet, its Thursday and we only have Friday and Saturday here. We all hope everyone has had a great time, but wait, we're not done yet!

## **DEATHSTAR**

The Russians have pointed their new space weapon at the boys here at White Stag. They did this because they know that Scouting is best in America and White Stag represents the best in Scouting. Everybody run away!

**Official ASPL time is**

**3:22pm** (in London)

## **USELESS FACT OF THE DAY:**

Octogons have 8 sides and octipuses have 8 arms.

## **Andrew finally awakes**

One of our elustrious Senior Patrol Leaders began his hybernation yesterday evening. We weren't sure if he was alive or not; however, we were pleased to see him alive and well this morning. There have also been some questions about the whereabouts of Jim and Jeremy.
