

The White Stag Chronicle

Issue 4

Stag Notes:

Mr. Hatch would like to announce his eighth birthday today. If you see him, please wish him a happy birthday.

If you would like to step on the concrete apron at the FQM's, then see Mr. Mike Smith about getting the titanium sole inserts for your shoes. He will be happy to make a trip to the local RadioActive Shack.

Disease Alert:

A strange new disease nicknamed "Montazuma's Revenge" has apparantly hit the White Stag area. This disease is caused by soap [a compound used for cleansing purposes.] being in Patrol cooking gear. The senior and assistant senior patrol leaders of Troop 953 have already been hit with this deadly disease. SERVICE PATROLS MUST FIND A CURE! THE STAFF IS ALREADY CULTURING STRAINS OF THIS DISEASE IN RETALIATION OF THE PATROL COOKING.

Lost and Found

Mrs. Bick has lost her Goo Gone. If you have found this wonderful wonder of wonders that extracts adhesives from fillopien tubes to stop clogging, then please return to her. [Saves the hassle of calling Roto-Rooter]

BURGER KING has been closed for repairs due to extensive water damage from Hurricane Ostendorf. This fatefull storm occured, well, you all know when it occured. Sorry, NO MORE WHOPPERS!

MR. IKE SEDBERRY has unfortunately had his go-go cart license revoked due to recklessly driving through a Steak and Shake. He apparently lost control rounding a corner and crossed the yellow median line ultimatly causing the accident.

If anyone wishes to get advice on picking up women, Andrew Peters may be reached at this phone number - 1-800-ABC-DEFG.

Editorial

DEAR EDITOR-IN-CHIEF,

I HAVE HEARD A RUMOR RECENTLY THAT SURGERY HAS BEEN PLANNED TO EXTRACT MY FALLOPIAN TUBES FOR USE IN A FILLIPINO LASHING DEMONSTRATION TO MY RIBS. DO YOU HAVE AN IMFORMED CONSENT FORM FOR ME TO SIGN BEFORE THE SURGERY WILL BE CONDUCTED? WILL THE EXTRACTION BE DONE THROUGH AN ADOMINAL INCISION OR BY VAGINAL LAPROSCOPY? THE FORMER LEAVES A BIKINI SCAR.

FRUITFULLY BEARING,
MRS. BICK

DEAR MRS. BICK,

SINCE WE FOUND YOUR GOO GONE, YOUR SURGERY IS UNNECESSARY. IF YOU HAVE ANY QUESTIONS, ASK ROBERT FARBER.

THANKS, THE ED
